P.H.S. Petroleum Historical Walking Tour of Downtown Calgary

June 21, 2003, 10:00 a.m. to Noon

Leader – Clint Tippett, President, P.H.S., and others

Downtown Calgary has a rich heritage of buildings and localities associated with many diverse industries, be they petroleum, banking, ranching, railways, government, retail or the arts. Of these, those linked to the oil and gas industry are perhaps the most numerous with many named after existing or now extinct companies.

This tour will involve a circuit past about 25 of the more important petroleum-related downtown structures and sites with stories told about each. Total distance should be about roughly 5 blocks west, 5 north, 5 east and 5 south. Participants who R.S.V.P. will receive a short guidebook that is a draft of a more comprehensive version being compiled for future use. It is hoped that those involved will share additional stories that can be incorporated into the guidebook. We look forward to seeing you.

TIME: 10:00 a.m. to Noon, Saturday, June 21, 2003

PLACE: Tour begins and ends at the North Entrance to Glenbow Museum, Stephen Avenue Mall

COST: Free

**R.S.V.P. if you wish to attend to: Clint Tippett, 691-4274 or
clinton.tippett@shell.ca by noon Thursday, June 20**

Congratulations to Director Joyce Wright, Director Sean O'Callaghan and their volunteers for the P.H.S.'s highly successful booth at the CSPG-CSEG Convention earlier this month – 19 new members!

Archives will return to its normal multi-page format
in August.

Many thanks for your support
and have a good summer!

- from the Executive and Board of the P.H.S.
